Luncheon Club gains SRJC activities award

The Student Activities Office at Santa Rosa Junior College has announced the Best Club Award for the spring semester has gone to the Women's and Men's Luncheon Club, an organization which resulted from

the combining of two of the oldest campus social organizations.

Both were founded in the 1930's. The MLC fell dormant, and a combined organization resulted when a number of male students asked to join the WLC this semester.

The Best Club trophy is awarded on the basis of campus and community participation.

Highlight activities of the WMLC included sponsoring a fashion show, with the profits going to the Christian Children's Fund.

The club helped with the campus blood drive, collected funds to combat muscular dystrophy, helped in the cerebral palsy Happiness Walk, visited convalescent hospitals, and participated in a wide range of on-campus activities.

President for the spring semester has been Nancy Steele. Other officers included Crystal Barnard, Barbara Diekmann, and Nancy Chretien.

Runner-up organizations for the award included the campus Veterans Club, Bicycle, and Circle K clubs.
