There shall be established at Santa Rosa Junior College a permanent organization of students, clubs, and organizations known as the Inter-Club Council.

#### THE INTER-CLUB COUNCIL CODE

##### I. The Membership of the Inter-Club Council

- a. Each recognized club on campus shall be represented by two members, one active and one alternative; each club having one vote.
- b. Any club not represented at two consecutive, or three intermittent meetings, shall be charged with non-attendance. The Inter-Club Council shall decide, by a majority vote, the guilt or innocence of any club charged with non-attendance. If found guilty, that club will lose all recognition by the Inter-Club Council. A club may appeal to the Inter-Club Council for reinstatement at any time.
- c. Special members to the I.C.C. shall include the Student Activities Advisor and Parliamentarian who are ex-officio members.

##### II. Officers of the Inter-Club Council

- a. The chairman of the I.C.C. shall be the Associated Students Vice-President. The Vice-Chairman shall be appointed by the Chairman from the I.C.C. membership and with the approval of I.C.C.
- b. The Chairman: Shall preside over all meetings. He shall have the power to appoint special committees and call emergency meetings. He shall have a vote only to make or break a tie.
- c. The Vice-Chairman: Shall preside in the absence of the chairman, and shall be a voting member.
- d. The Secretary: Shall be appointed by the chairman with the approval of I.C.C. and shall keep all minutes of the meetings.

##### III. The Purpose of the Inter-Club Council

- a. I.C.C. shall have the sole responsibility of legislating and enforcing rules in anything regarding clubs.
- b. Club Constitutions and by-laws will be submitted to the Inter-Club Council annually at the last meeting of the Spring Semester for approval. New constitutions for clubs or organizations and/or by-laws and/or amendments shall be submitted to the Constitution Committee, then to the various clubs for their consideration, and finally to I.C.C. for action. The Constitutions, new or amended, must be in the Club mailboxes by ten o'clock the day of the Club meetings so they may be submitted for approval at the following I.C.C. meeting. Club constitutions should comply with all state laws. A simple majority vote of I.C.C. is necessary for approval of Constitutions if two-thirds of the total voting members are present.
- c. To plan a social calendar of activities in cooperation with the Student Activities Advisor, and correlate it with the College Student Assembly Activities Calendar.
- d. To give guidance to new organizations on the campus in such matters as procedures for getting started, drawing up constitutions, and conducting their affairs.
- e. To organize an orientation program during registration and throughout the semester, in order to interest and assist new students in functioning as members of a club.

IV. Meetings

- a. Regular meetings shall be held weekly at a time and place set at the discretion of the chairman. Special meetings shall be posted in club mail boxes two (2) days prior to special meetings.
- b. Three-fifths of the members of the I.C.C. and the Student Activities Advisor shall constitute a quorum at any I.C.C. meeting.

V. Club Membership

- a. Any student wishing to become a member of a particular club will sign up at the Activities Booth on Club Day, or with a particular club within the time limit set by the individual clubs' constitution.
- b. Clubs may not restrict their membership. No club may use any device or practice which in effect implements selectivity.
  1. All clubs who maintain a system to determine active and inactive members, and who subsequently use this system to include or exclude members shall apply this evaluating system to all members.
- c. Two weeks after Club Day, each ASB club will submit to the I.C.C. chairman a list of present members.
- d. All active club members must be registered students at Santa Rosa Junior College.
- e. If a club is found guilty by a majority vote of the members of I.C.C. of practicing any form of selectivity against a prospective member, that club will be subject to a fine of \$10.00 and must also accept the prospective member if he, or she, still desires membership. If the said club does not pay the fine within two weeks after they have been found guilty of the violation by I.C.C., that club will be refused recognition by I.C.C. for the balance of the current semester.
- f. The I.C.C. shall have the right to enforce the above stipulations in any way they choose within the bounds of the ASB constitution.

VI. Amendments

- a. These by-laws can be amended by a two-thirds vote of the I.C.C. Submitting of proposals and the voting thereon shall not be done at the same meeting.

## Veterans club award winner

The Veterans Club, an active organization at Santa Rosa Junior College, has received an award for being the best club on campus during the fall 1974 semester. A special award went to the Women's Luncheon Club (WLC) for its activities during the same period.

The vets group co-sponsored a campus blood drive, which collected over 80 pints; conducted a campus lost and found auction, with the proceeds going to the Dean's Loan and Grant Fund and helped, in cooperation with the American Legion and the Veterans of Foreign Wars, to establish a scholarship for veterans at the college. The club also conducted a successful food drive for the needy before Christmas, and was instrumental in getting the position of Veterans Affairs officer established at the college.

The WLC, runner-up organization, visited patients in convalescent hospitals, and in cooperation with the Catholic Youth Organization gave a Thanksgiving dinner for some 200 senior citizens. Members of the WLC were also active in Project Share, presenting a Christmas program for children involved in the project.

COUNTRY FAIR !!!!!

That's right, y'all, we're having a country fair!

When??? Why between 10:30 A.M. and 1:30 P.M. on Wednesday, May 8th, of course.

What's a COUNTRY FAIR ???

Why it's when folks get together and have a good time and be just folks.

We're gonna have all kinds of events a happenin'.... fer instance

we're gonna come in our fanciest hoe-down garbs (you know gingham  
and such)

we're gonna wash our faces and bob for apples in a bucket at the same  
time

SOMEbody's gonna bring their sharpest darts and have a baloon burstin'  
contest.

We're gonna have a wheel o' fortune

why we're even gonna have kissin booths for guys and gals..

gonna sell homemade pastries and such

gonna sell fruit and cider..

maybe e'en gonna have a cake walk or sumptin

Talk to your folks in your club and ask 'em what they want to do during the  
COUNTRY FAIR, maybe they got some ideas o' their own. Come to the next Inter-  
Club Council meeting on Tuesday Merch 19th at Noon in the Assembly Room and get  
together with the other folks from the other clubs and hog tie the details so  
we can make this the best durned Country Fair ever

See ya....

I was jest a thinkin', we could e'en have a blind folded rail walk. That's where  
someone puts on a blindfold and tries to walk the length of a rail, ????

memo from Cheryl Matteri  
your Inter-Club-Council Chairman

Country Fair Day is Wed. May 8  
from 10:30 - 1:30. Now that the ICC  
has voted unanimously to support this  
day - it is up to the clubs to actively  
participate by setting up a booth or two  
as a project. You can use this day to make  
money by selling your caramel apples,  
home-baked oatmeal cookies,  
imported Parisien wafers, handicrafts  
or whatever. This day will be only as  
great as you make it. So get together  
with your club members, combine our  
ideas with yours and make May 8 the  
best fund-raising day your club's ever had!

THE OAK LEAF  
SPRING, 1974

MARCH 21, 1974

## ICC Drops Support For 4 Clubs

The Inter Club Council (ICC), governing body for all officially sanctioned campus clubs, took action against three clubs Tuesday for failure to properly represent themselves at ICC meetings.

ICC voted at their regularly scheduled meetings this week, to remove the following clubs from the list of official campus organizations: NSA, Black Student Union, Ski Club, and Native American.

The clubs were banished for failure to send a representative to ICC meetings.

### ATTEMPTS

It was noted by ICC head Cheryl Matteri, that repeated attempts, including announcements in the Bear Facts, were made to contact the leaders of the removed clubs.

The ICC action will result in the dropping of support from the ASB and the clubs "official" title. At press time word was not available regarding this year's findings.

The move will not, however, affect the funding of Black Culture Week.

Funds for the event were appropriated jointly to the Ethnic Studies program and the BSU.

That's right, y'all, we're having a country fair!!

When???    Why between 10:30 A.M. and 1:30 P.M. on Wednesday, May 8th, of course.

What's a COUNTRY FAIR ???

Why it's when folks get together and have a good time and be just folks.

We're gonna have all kinds of events a happenin'... fer instance

we're gonna come in our fanciest hoe-down garbs (you know gingham  
and such)

we're gonna wash our faces and bob for apples in a bucket at the same  
time

SOMEbody's gonna bring their sharpest darts and have a baloon burstin'  
contest

We're gonna have a wheel o' fortune .

why we're even gonna have kissin booths for guys and gals..

gonna sell homemade pastries and such

gonna sell fruit and cider..

maybe e'en gonna have a cake walk or sumptin

Talk to your folks in your club and ask 'em what they want to do during the  
COUNTRY FAIR, maybe they got some ideas o' their own. Come to the next Inter-  
Club Council meeting on Tuesday March 19th at Noon in the Assembly Room and get  
together with the other folks from the other clubs and hog tie the details so  
we can make this the best durned Country Fair ever

See ya....

I was jest a thinkin', we could e'en have a blind folded rail walk. That's where  
someone puts on a blindfold and tries to walk the length of a rail, ????

PLEASE READ TO CLASS

The following survey is being conducted by the Teacher Evaluation Committee under the auspicious of CSA. If the data is completed, a teacher evaluation program will be printed and made available to students prior to next fall's registration.

The student should be as objective as possible. Please do not be paranoid about your questionnaire. What you rate the teacher as will have no effect upon your grades or status in the class.

All data will remain anonymous. The instructors will not be able to see the results until final grades for the semester are completed. This evaluation is in no way meant to discredit any instructor.

The purposes for this survey are as follows:

- a) the quality of teaching is very dependent upon the teacher. This evaluation will give the student the opportunity to choose his/her instructor.
- b) having information in print about the quality any quantity of teaching may in some way improve both.
- c) evaluation, in this form, is one more way that a student can have a voice in better education.

Please wrap each packet separately and place the instructor's name and class no. on each packet. We are doing all of the 475 classes at this institution. For example: Mr. Giles-56 should be kept separate from Mr. Giles-11 math classes. Please return all packets and questionnaires to the secretary in the math central part no later than April 19th. Your cooperation and coordination in these matters will be appreciated greatly.

Thank You,

*Jack Silver*

Presidential position on CSA. Candidate Bernard is an Earth Science major and has been Recording Secretary for the last two semesters of CSA.

Her reason for running is to promote campus clubs. She states, "My primary desire is to see campus clubs not merely survive but arise again."

Thomas Ainsworth is a Wild Life Preservest major and is currently Freshman Representative. His goal is to "better, through work, the school and community."

### RECORDING SECRETARY

Again only one student is running for a position in the Fall semester CSA. Nancy H. Steele is a candidate for Recording Secretary

and is President of the Women's and Men's Luncheon Club. Steele says her ambition is to get involved. "In a time of great apathy for government, students need to become involved. Only then, will their needs begin to be met."

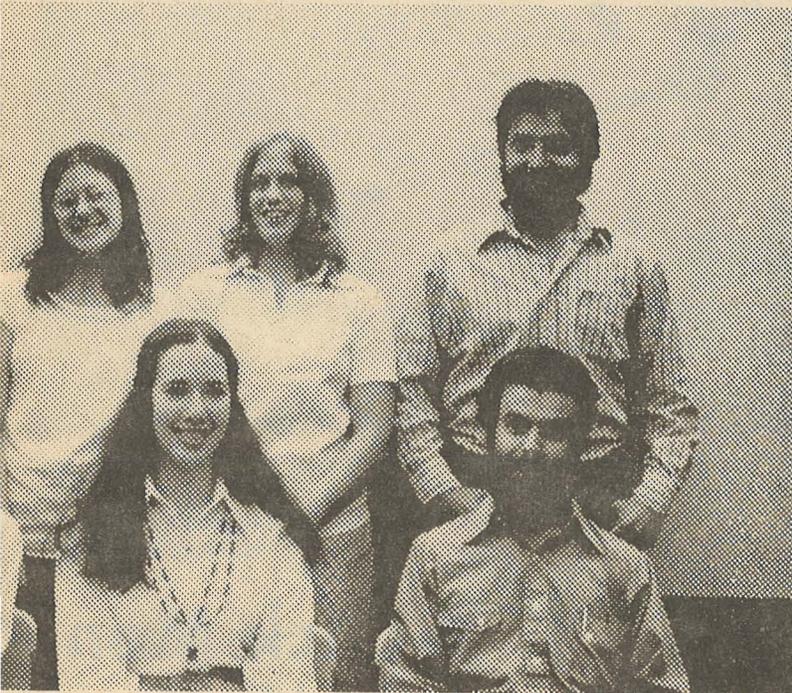

### CORRESPONDING SECRETARY

Again, ah yes once again, one student is running for a position where fools think twice before rushing in. Steve Hemphill who I know nothing about, is that lone student running for Corresponding Secretary. Good luck, Steve, the competition looks tough.

### SOPHOMORE REPRESENTATIVE

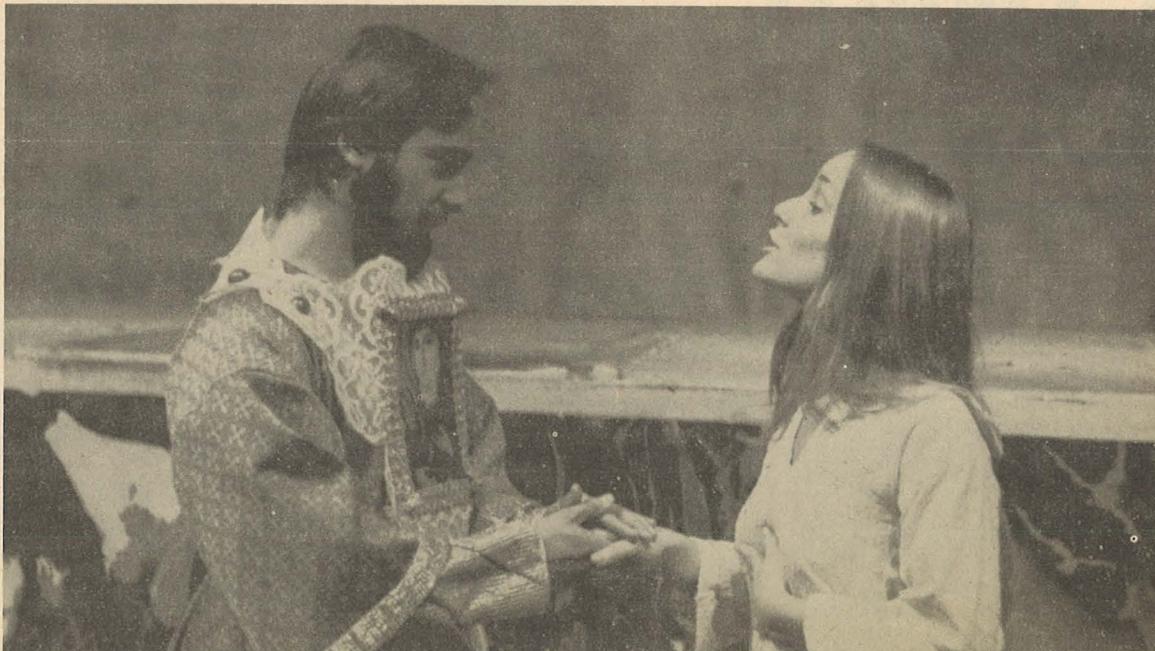

Would you believe there are four students, that's right, four students running for one office? Of course you wouldn't, so I'll lie. Robin Michael Laine, Suzanne Catherine Keyes, Lorna Jeanne MacDonald, and Juli Fechter are all running for Sophomore Rep. Laine is a history major, Keyes is home economics major, and MacDonald is a Business Administration major. Fechter is a Home Economics major. (Yawn) Oh well, they're all vying for Sophomore Representative and may the best Devil Food cake win.

The elections are this Wednesday May 15 for anyone who owns a student body card and has the ambition to lift his or her left or right hand and mark the candidate of his or her choice. Good luck and have fun.
