AGGIE CLUB

The SRJC Aggie Club is designed to help people interested in agriculture become more responsible, involved and knowledgeable about the agriculture industry. To do this, we sponsor and organize numerous college and community activities throughout the year. The first of these being the 4-H and FFA Field Day. The SRJC Livestock Judging Team which we sponsor does most of the work at this activity. We also hold an annual feeder lamb sale in the Spring.

Meetings are held every Wednesday from 12:00 to 1:00 in Emeritus Hall, room 1523.

THE 4TH WALL

The Fourth Wall (the-forth-wol)n. 1. The proscenium. 2. An imaginary wall the performer uses as a focus point in place of the audience. 3. Life among the sub-culture. 4. SRJC's stage and screen organization for Actors, Writers, Directors, Cinematographers, Videographers, Jugglers, Dancers other artistic endeavors. Last semester we started the NR Showhouse campus movie theater, featuring not-rated, timeless motion pictures, but not "classic philms". What's the diff'? - The audience. We also sponsored Cinema Culture (featuring documentaries, foreign and cult flicks) as well as the SRJC Student Media Competition (now called, "Premiere Shorts"). This semester we will continue these ultra-kosh' activities, start-oriented ones, and begin a SRJC Student Talent Guild (come into the SAO and get yourself filed). As a matter of fact, our club is so hip, we're ...uh... making Andy Warhol roll over in his grave. We meet Thursdays at NOON in the Burbank lobby.

* * * * *

GAY AND LESBIAN STUDENT UNION

The Gay and Lesbian Student Union is a group of students whose main purpose is the education of other students on the JC campus and peer support for gay students. The G.L.S.U. participates in community activities, sponsors parties, and serves on panels in Sociology and Psychology classes. Another goal of our club is to provide, through our membership, good role models to JC students and the community at large. We try to raise public awareness about gay people and some of the problems we face. Electons will be held each semester to elect club officers. Meetings are held Wednesday 12-1 pm. Room number will be published in Bear Facts.

GAMING CLUB

Do you feel up to some fun and a challenge? The Gaming Club organizes and teaches a variety of unusual games as well as the more common Chess, Checkers, Dungeons and Dragons, etc. Some of the games we already have available include, Ultamite, Knightfall, Pente, Star Fleet Battles and the enormous Federation and Empire. Join us, and have some real fun at college. Meetings are held Fridays, 12 Noon - 1 P.M., in the Doyle Student Lounge.

* * * * *

GLOBAL STUDIES GROUP

The Global Studies Club encourages study, debate, or action on diverse global studies, including politics, the environment, social, and economic trends. Some issues dealt with in the past are Central America, the Rain Forest, and USA - USSR relations. We have sponsored speakers, demonstrations, and literature on campus to inform us to make wise decisions concerning global issues.

* * * * *

INTERNATIONAL STUDENTS CLUB

Have you ever wondered what students in other parts of the world do for entertainment? Would you like to experience a bit of culture aside from your own without having to travel to another country? If so then the International Students Club is for you! The I.S.C. offers everyone a wide variety of International culture through potluck dinners, parties, and other social events. Become a world traveler without leaving town. Meeting held Fridays, 12 noon, Room 1520 Emeritus.

* * * * *

IRISH CLUB

The Irish Club is a club for everyone who enjoys good fun and fellowship. We supplement the fun with cultural, historical and political enrichment. Surprisingly enough, although we are Irish enthusiasts, most of our members are of non-Irish decent. We meet the first Wednesday of every month in the Tutorial Center at noon. We always manage to provide a

cup of tea and a slice of Irish pastry for our guests. Anyone interested in joining our club is heartily invited to attend as we are always happy to see new faces. Our club slogan is the ancient Irish saying, "Cead Mile Failte" (a hundred thousand welcomes)...the essence of the SRJC Irish Club.

* * * * *

JEWISH STUDENT UNION

Meetings are held Wednesdays from 12 noon to 1 p.m.

* * * * *

S.A.M. CLUB

Are you interested in Business, Economics, Marketing, Accounting or any related major? If so, then the Society for the Advancement of Management is for you. Get involved now and be a part of some fun activities like rafting or pizza parties. You can also be a part of money raising projects which will help toward our scholarship fund. It's a great experience. Meetings are on Mondays from 12-1pm in 1518.

* * * * *

T.E.C. CLUB

The Engineering Club (T.E.C.) is for those people who are interested in associating with fellow students with similar majors and interests. T.E.C. is a club for anyone interested in Science related fields; Chemistry, Physics, Math, Electronics, Surveying, Civil Engineering Technologies, etc. Our activities this semester will include, parties, civic related activities, field trips, guest speakers, money raising projects and much more. Come and make some new friends. Meetings are held Wednesdays at 12 Noon in

Room 1765, Shuhaw Hall. See you there!

UNITED NATIVE AMERICANS

UNA has as its central objective the presentation and promotion of Native American culture to the campus community. In addition, the club strives to encourage American Indians to attend SRJC and have pride in their native heritage. The club sponsors activities which are part of the Museum's Native American festival that occurs each year during the campus Day Under the Oaks. The club for many years has sponsored the meal provided for the dance groups and families performing during the Day Under the Oaks. Meetings are announced each week in the Bear Facts. We encourage Native American students to join but you need not be Native American. Come join us and share the fun and your ideas.

Seven Rules For Successful Publicity

1 - Weber's Law: There is never enough publicity. When was the last time you had to turn people away? For every full house, there are hundreds of disasters. Yet in all the less successful events, someone thought they had done enough. If you live by the concept that there is no such thing as "too much" publicity, you will have taken a giant step toward eliminating empty seats.

2 - Good publicity helps, bad publicity hurts. There are hundreds of ways to publicize anything. You have to be sure to stay away from images, thoughts, words, that will keep people from attending your event. If you've sat through three mind numbing lectures today, you're not likely to be thrilled by a notice on a bulletin board that reads:

At 8:00 PM tonight, Mr. Ken Weber will give a talk about hypnosis. The presentation will be followed by a question and answer session. Psychology majors are encouraged to attend.

Doesn't exactly get your hormones flowing. In fact, publicity like this will keep students in front of Star Trek reruns. How do you avoid negative publicity? See rule number three:

3 - Sell the Sizzle, Not the Steak. That's an old advertising adage, and it's still true. The notice above gave the facts, the steak. But it's the sizzle that makes your mouth water.

Get your mind blown! Come and watch your friends do amazing things! Tonight at 8, top hypnotist Ken Weber will use student volunteers in his outstanding demonstration of the powers of the mind. Don't miss this informative, hilarious experience!

Changing a dry notice into an enticing invitation isn't easy. It takes a little thought. But it can be learned. Just remember to -

4 - Push the "Hot" Buttons. What do students want? Fun, love, money, sex, rock 'n roll, excitement, Something New. You

booked the event because it delivers some or all of these gifts. Find your "hook" and use it to reel 'em in.

5 - Build Enthusiasm. You planned an event because you thought it is going to be special. Stimulate your committee to spread the excitement. Be sure you have a core group who think this event is something no living college student could possibly miss. Tell everyone you'll be there, and you'll be looking for them.

If you've had the program before, remind all the idiots who missed it the first time that they are idiots, and their license to breathe should be revoked if they miss it this time. The simple truth is, word-of-mouth is the strongest publicity on the planet. Don't leave it in your office.

6 - Use Everything. If you've booked an experienced, professional act, you should receive professionally designed publicity material from them. *Use it. Use it all.* Then go out and make your own. Lots of it. Remember Rule #1.

7 - Lead Them By The Hand. On the day of the big event, most students still don't know about it. Or they think it's next week. Or they forgot. Now's the time to let out all the stops. Make announcements every ten minutes. Do skits in the cafeteria. Put up new posters to replace the ones that got taken down. Put up more posters where you're not supposed to put posters. Send your committee to, yes, literally lead them by the hand into your super special event.

Any entertainer will tell you the audience is part of the show. For most performers, the bigger the audience, the better the show. Laughter and applause are contagious. No performer ever got a thunderous ovation from a crowd of ten. Do the best you can to fill your events with happy people. They'll enjoy the show more when the room is packed. And so will you.

Re: 1989-90 Lecture Series

Dear Ms. Dunham,

Per our telephone conversation today I am pleased to enclose a copy of our flyer describing the speakers committed to our 1989-90 lecture series on the topic "Preparing for a Renaissance in the 21st Century". The lectures will be given at the Luther Burbank Center for the Arts.

As you will notice we will have a number of Student tickets available for each of the lectures for \$8.00 each, which is \$4.00 less than the General Admission price. We are asking that the Junior College, in particular the Student Activities Office, take a number of these student tickets on consignment and sell them on the campus to students who request them. We would also seek permission to furnish posters which could be displayed in the kiosks on the campus for this purpose.

Tickets will be available approximately September 19 for the Dr. Montagu lecture.

To expedite matters please telephone me directly at 527-7191. If our request can be granted we would need to know where you would sell the tickets to provide this information on our posters and how many posters should be provided.

Please let us know if there would be any costs regarding this service we might help to defray.

Thank you for your consideration.

Sincerely yours,

Calvin H. Simons, Chairperson

Carolyn Wolfe Lectures

Presents the 1989 - 90 Series of Sunday afternoon lectures at the

Luther Burbank Center for the Arts:

Preparing for a Renaissance in the 21st Century

October 22, 1989 **Dr. Ashley Montagu** will talk on "Civilization: a Race between Education and Catastrophe". Dr. Montagu has authored or co-authored over sixty books and monographs which have ranged widely in subject matter. His early treatment of such subjects as race, women's rights, touching and the relationship of man to his environment qualifies him as a truly renaissance man. His talks are challenging, somewhat iconoclastic, and sprinkled throughout with wry, satiric humor.

January 28, 1990 **Senator Eugene McCarthy** will speak on "How Tenuous is our Tenure?". After his distinguished career as Representative and Senator from Minnesota he was unsuccessful in his 1968 bid for the Presidency. Since his retirement from politics, Senator McCarthy has written several books. In contemplating his talk he wryly remarked: "When it comes to the future, I can only predict 50 years ahead."

February 25, 1990 **Frances Moore Lappe** will address the concepts of her new book "Rediscovering America's Values". After authoring the tremendously popular "Diet for a Small Planet", the co-founder of San Francisco based "Food First" has progressively written on issues of Third World concerns, world hunger, and human value systems.

Tickets will be available for the series as follows: *Sponsors' tickets* will entitle holders to reserved seats in the Orchestra section, preferred parking, invitation to receptions for each speaker, and a listing in the programs for the Series. *Series tickets* admit one person to each lecture for a non-reserved seat.

The club packets will be available tomorrow morning. Scott also reported on Forum 2000 and acknowledged and thanked all those who attended from the Junior College. One of the recurring responses from a panel of High School students who had thought about dropping out of school or had already done so was that the classes were too large and too impersonal. Scott then announced that it was Ronda's Birthday and we all sang that infamous song.

SANTA ROSA JUNIOR COLLEGE
1501 MENDOCINO AVENUE
SANTA ROSA, CA. 95401

DEAR SIRs,

WE WOULD LIKE TO TAKE THIS OPPORTUNITY TO PROPOSE TO YOU A LECTURE AT THE JUNIOR COLLEGE, SPEAKING ABOUT WHAT WE DO HERE AT THE ALPHA LEARNING CENTER.

WE WOULD BE SUPPORTING STUDENTS, AS WELL AS OTHERS, IN ALLOWING ALL OF THE POSSIBILITIES IN BEING HUMAN. WE COVER AREAS RELATING FROM SELF ESTEEM, RESPONSIBILITY, ALL THE WAY TO LOOKING AT OUR PURPOSE IN OUR SCHOOLING AND CAREERS.

WE ARE CURRENTLY WORKING WITH TEACHERS AT SANTA ROSA HIGH SCHOOL IN A SELF ESTEEM PROGRAM, AND ARE ALSO WORKING WITH JACK HAYES ON MOVING INTO THE DISTRICT LEVEL TO SUPPORT ALL TEACHERS AND STUDENTS.

IN OUR LECTURES AND WORKSHOPS, WE COVER AREAS OF INFORMATION ABOUT EXPECTATIONS, GOALS, PURPOSE, COMMITMENT, AND MANY OTHER TOPICS. WE SUPPORT PEOPLE IN LEARNING ABOUT THEMSELVES, AND RELEASING OLD FEARS, ANGER, AND OLD PROGRAMMING ON HOW THEY HAVE SEEN THEMSELVES AND OTHERS AROUND THEM.

WE COVER INFORMATION ABOUT MOTIVATORS, THE THINGS PEOPLE DO TO GET WHAT THEY WANT, AND SUPPORT THEM IN LEARNING HOW TO COMMUNICATE RESPONSIBLY IN A WAY THAT SUPPORTS OTHERS IN A WIN-WIN SITUATION. PEOPLE HAVE A TENDANCY TO ONLY LOOK OUT FOR THEMSELVES, UNTIL THEY HAVE THE OPPORTUNITY TO LEARN NEW INFORMATION ON HOW TO OPERATE WITH OTHERS. ONCE THEY RECEIVE THAT INFORMATION, IT SUPPORTS THEM IN BEING RESPONSIBLE ON HOW THEY PERCEIVE THE WORLD AROUND THEM.

WE WOULD LIKE THE OPPORTUNITY TO HOLD A LECTURE ON YOUR CAMPUS, AND LOOK FORWARD TO YOUR RESPONSE. IF YOU HAVE ANY QUESTIONS, PLEASE CONTACT US AT ANY TIME (707)585-2413. WE WOULD BE HAPPY TO SUPPORT YOUR SCHOOL, AND ANY OTHER SCHOOL SYSTEMS IN ANY WAY THAT WE CAN.

IT ALL STARTS WITH ONE PERSON SUPPORTING ANOTHER, AND SOMEDAY IT WILL BE COMMON KNOWLEDGE TO GIVE AND RECEIVE UNCONDITIONALLY.

SINCERELY,

RLEEN JOY
DIRECTOR, ALPHA LEARNING CENTER
