From: Alpha Gamma Sigma
Re: Volleyball Invitational/BBQ

Fellow Club Members,

Alpha Gamma Sigma hopes that you had a successful membership drive last week during Club Days. We would like to apologize to everyone regarding our double booth on the first day. There was some miscommunication between our representatives and the event organizers. We would also like to thank Sign of the Times and the Akido Club for sharing a booth and accommodating us that day.

We would also like to take this opportunity to invite you to an Alpha Gamma Sigma Volleyball Invitational and BBQ this Saturday, the 22nd. AGS is hoping that by inviting all ICC clubs to joint activity, we will set a precedent for future inter-club events. The idea being that by showing support for each other's activities will increase the success of the activities themselves and promote active membership.

So, please invite all of your members. The event will be held on Saturday, September 22nd at 2 p.m.. Bring your own non-alcoholic beverages and a potluck dish, such as potato chips, to share. We will provide cups, plates, and forks. Hamburgers will be available for a dollar a piece to non-AGS members (this is not a fund raising event).

Please note, this is NOT a Santa Rosa Junior College sponsored event. Thank you for your time and we hope to see you there in full force!

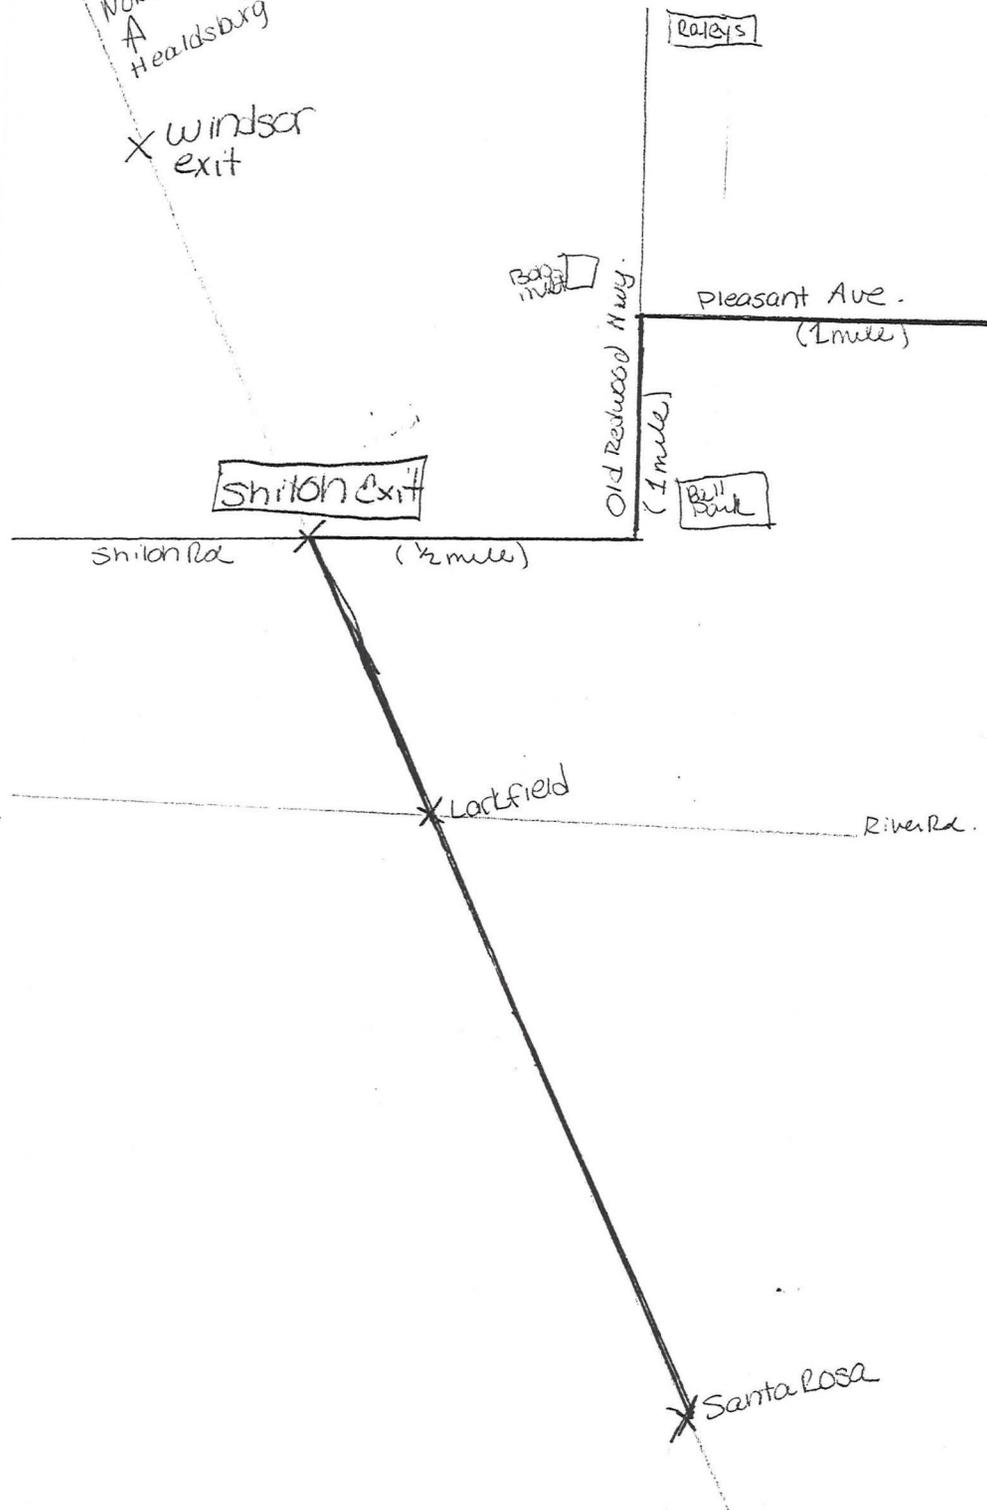

Thank You,

Morgan Mack-Rose

To: Prospective heros
From: SRJC Associated Students/United Way Committee

Welcome to the "Time to be a Hero" Volunteer/Fundraising project sponsored by the Santa Rosa Junior College Associated Students and The United Way. We would like to thank you in advance for participating in this community-wide event. We also hope that this letter will explain the process and clear up any questions you might have regarding the project.

This event is an opportunity for students to volunteer time at a non-profit organization and simultaneously solicit pledges for hours worked or donations to benefit the non-profit organization and the United Way.

Students who wish to be someone's hero will pick up a pledge sheet and meet with someone from the Volunteer center to coordinate hours to be worked and which organization the student will volunteer with during the next few months. The student will then solicit from the community pledges per hour volunteered. Upon completion of the pledge forms they will be turned in to the United Way via the SRJC Student Activities Office by November 30, 1990. No monies are to be collected by the volunteers. The United Way will send a letter and a bill to those who pledged money. Yes, All donations are tax deductible.

Re: 1990 Canned Food Drive

This year, as in previous years, S.R.J.C. will be involved with the Sonoma County Holiday Spirit Drive, sponsored by Biddulph Chevrolet which benefits the Sonoma County Coalition Against Hunger. The Coalition is a local, non-profit agency that distributes food to over 65 agencies in the North Bay. This year's goal is to collect over 10,000 pounds of food and \$15,000 for the Coalition's efforts.

How can we help? This year, we are issuing a challenge to all departments on campus to raise at least 100 non-perishable items each. There will be prizes awarded to the departments raising the most food, and those prizes will be donated by local merchants. In addition, Biddulph and World Runners are sponsoring the I "Can" Run Relay at Biddulph Chevrolet on December 8th, 8:30 a.m. - 12 noon, at which time the food will be turned over to the Coalition. There is more detailed information about the event on the attached flyer, but basically what we need are teams of three from as many departments as possible to participate in the event. This is a chance for all of us to do something that will make a big difference to some people who desperately need our help especially the children (who constitute more than 50% of those receiving emergency food relief).

If you don't feel as though you will be able to raise a team this year, please donate some food. Collection will be done primarily through the Student Activities Office.

Since the relay is December 8th, it is urgent that you compile your teams and your food as soon as possible. It is also important that you contact me and let me know if we can count on your support. If you have any questions or suggestions, please contact me at X 4424 or 664-1977.

Thank you for your help!
