## **AGGIE CLUB**

The SRJC Aggie Club is designed to help people interested in agriculture become more responsible, involved and knowledgeable about the agriculture industry.

To do this, we sponsor and organize numerous college and community activities throughout the year. The first of these being the 4-H and FFA Field Day. The SRJC Livestock and Dairy Judging Teams, which we also sponsor, do most of the work at this activity.

We also actively participate in the SRJC "Day Under the Oaks." We sell BBQ hamburgers and claim it as one of our major fund raisers. Another sponsored activity is the SRJC Feeder Lamb Sale which makes available high quality, locally produced market lambs to 4-H and FFA members.. A large amount of our budget goes to help defer travel expenses of our judging teams. In addition, we offer two scholarships to help active Aggie Club members continue their agricultural education at a four year college or University. Aggie Club members are always more than happy to help 4-H, FFA with ag related projects.

**Sunday, April 5, 1992**

SANTA ROSA  
PLAZA

## MAKE IT A TEAM EFFORT

Walking together is more fun. So recruit your friends, family and/or co-workers and form your own Walk Team. Any group of 4 or more qualifies. Choose your team's captain and a team name, make sure all team members include this information on their registration form, and you're all set for a great day together, supporting a good cause.

To top things off, there will be awards for the:

- largest team
- team with the best T-shirt
- team raising most pledges
- team with oldest average age
- largest stroller brigade
- most pets.

## YOU DON'T HAVE TO WALK TO HELP.

If you'd like to enjoy the spirit of the day, but don't want to walk, think about becoming a Walk Day volunteer. We need help in many areas:

- Registration
- Rest Stop Hosts
- Course Marshals
- Cheering Committee
- Entertainers
- Support Vehicle Drivers
- And more.

To volunteer, check off the volunteer box on your registration card and mail it in. Or call the National Multiple Sclerosis Society office at (707) 542-5217 and we'll register you over the phone.

## PRIZES.

Everyone raising \$60 or more will win a T-shirt. Many other great prizes will be awarded corresponding to the dollar amount raised. Prizes are not cumulative except for the T-shirt. Team members are also eligible for prizes based on the individual pledges you collect.

To receive your T-shirt to wear for the walk, bring at least \$60 of your collected pledge money to registration.

## WALKING TOWARD A CURE.

Join in the warm-up led by aerobic instructors from Railroad Square Workout, and you're off. The walk winds through downtown, then along MacDonald Avenue through a classic Victorian neighborhood. Tree-lined Bryden Lane leads back to Sonoma Avenue to Doyle Park. A quick tour of the Montgomery Village neighborhoods then takes you to Howarth Park. The longer walk option guides you around scenic Spring Lake and then back to Howarth Park. At the finish line, you'll be treated to live entertainment, a catered lunch and an awards ceremony. # PROPOSITION 153: A Fact Sheet

## What is it?

Proposition 153 is the \$900 million Higher Education Facilities bond measure which will be considered by voters on the June ballot.

## What will it do for community colleges?

If it passes, Proposition 153 will provide approximately \$280 million for each of the three segments of higher education. California's community colleges will utilize \$101,380,000 to fund capital outlay projects at 53 of the 70 California Community College Districts for the 1992-93 year. The remainder will be used to fund approved capital outlay projects for 1993-94.

## What will Proposition 153 mean for SRJC?

If it passes, Proposition 153 will provide more than \$5 million in 1992-93 for the following capital outlay projects at SRJC:

- \$2.584 million to construct and equip a new Child Care/Development Center
- \$972,000 to purchase equipment for Phase I of the new Petaluma Center
- \$2.177 million to acquire the Los Guillucos site for SRJC's Training Center

## What happens if Proposition 153 doesn't pass?

If Proposition 153 fails, there will be no state funding for the three SRJC projects listed above. The delay in funding these projects causes even further delays for the other major capital outlay projects which are part of SRJC's Five Year Plan — including construction of a new library and Phase II of the Petaluma Center.

## Who is supporting Proposition 153?

Support for Proposition 153 is coming from all three segments of higher education: the University of California, California State University and California Community Colleges.

At the community college level, an organization called "Californians for Community Colleges" has been formed. Jim Young of Kern Community College District and Tom Van Groningen of Yosemite Community College District, with assistance from Donna Hatchett of North Orange Community College District, are spearheading the bond activities for this organization.

A fund raising and political campaign to support the bond measure is being conducted by Californians for Higher Education. The Association of California Community College Administrators (ACCCA) is also supporting the measure, as are leaders of the statewide employee organizations.

## Who is opposing Proposition 153?

There is no known opposition at this time.
