Inter-Varsity recruitment not good where he was at and some possible members couldn't hear what he had to say.

B. A motion may come forward to open discussion of Council activities or business may come forward **M/S/C**

Fresh Start- Talked about the idea that he heard in the A.S.P about U.C. Davis having a picnic for its community and raising awareness. He thought it would be possible for ICC to host a picnic on our big lawn with kites and other fun things in March. He also mentioned we could raise money for the council and wouldn't cost us any money. Since we are not having Day under the Oaks this year this would be a great advantage to have people come to the picnic and enjoy SRJC.

AG- Davis picnic is just like Day under the Oaks a homecoming and it usually costs to put that on.

Advisor- Liberians' donated books for book sale for books that are not in circulation anymore Mike and I picked those up a while ago. An idea is to form a committee for the book sale.

Chair-requisition of 100.00 is too much Battle of the Bands is still possible to happen. Money is already in the budget for the event.

Backpackers- put money towards this event
Fencing – hold a tournament on this day
Chair- have this be a club Day Style BBQ
Backpackers- Wondered if any possible days and dates this would be on.
Fresh Start- Would be interested in bringing down a comic for this event. Also mentioned bringing down local mellow type bands and working with Fresh and Natural.
Chair – would ICC like to do this event.
Backpackers-we could do battle of the bands but we would need to pay for security and safety.
Advisor- Talked with Dr. Jim Forkum from P.E and he said that security was paid for from ticket sales from the Globe Trotter Event last year and it would be a good idea if B.O.B would do the same. Pay wasn't coming from the District.
Chair – would the B.O.B committee be interested in that there would be a lot more battle planning to do possible committee.
Backpackers- If people do indeed want to advertise out in public it will need radio spots and newspaper spots and we would need security and that would come off the top of the proceeds we make.
IVF- this event is for clubs and is meant for fellowship amongst the clubs and not trying to pull people from the yogurt shop to join the clubs. If point of this is for fund raising students won't make too much money. How many people read the bear facts cover to cover only three students raised their hands.
