Ann Swasey introduced information about how clubs are to handle money, particularly regarding the procedures to deposit or withdraw money from club trusts.

VI. Reports

Reports will be limited to 2 minutes and 30 seconds per speaker.

Clarifying questions will be entertained, but no discussion.

Chair: proposed new ICC code was rejected by the senate due to a formatting error. The situation is being rectified; the formatting will be corrected, and the code resubmitted.

Vice Chair: n/a

Advisor: reminded clubs that they still needed to fill out club packets to be recognized on campus, along with facility use requests. The requests must be filled out in their entirety, and a wait of about two weeks is to be expected after submission.

Clubs:

Chemistry Club: will be meeting Fridays 12-1 pm in "the small lecture room in the Chemistry building".

Phi Theta Kappa: Three leaders of the club are being sent to the Seattle Washington conference, which will also be attended by all of Phi Theta Kappa leadership.

Queer Students: The club will be sponsoring the film "Ten Questions for the Dali lama" in conjunction with SACFSL. There will be free popcorn

Robotics Club: meetings Thursdays in Shuhaw in the student lounge.

The club will be continuing work on a quad walker to take to Robogames April 15-17.\

VII. New Business

1) A motion may come forward to allow a club to present their constitution and intentions for the enrichment of the student experience at the SRJC

m/s/p

clubs presenting:

Chemistry Club

ABIS

Chess Club

Students for Sustainable Communities

Intervarsity Christian Fellowship

Queer Student Union

2) A motion may come forward to allow the Vocational Nursing Club to present a waiver of attendance.

m/s/p

All members of the club in question have an important obligation during the time of the ICC meeting, and as such cannot send anyone to attend ICC meetings.

VIII. Discussion

1) Budget Club findings: all ICC members should expect to receive an email regarding findings; a new meeting on the subject is to be arranged. The current constitution of the Budget Club is unsuitable given the club's purpose. The current proposal is that the Budget Committee would be the members of the Budget Club.

2) The ICC Code: Nothing to discuss yet

3) Pepperwood leadership retreat: suggested that the ICC would participate in a leadership retreat with Student Senate to improve cooperation and communication between the two bodies.

4) Vice President of Organizations position:

The position of VPoO (vice president of organizations) is empty at current. The VPoO acts as a liaison between the ICC and the Student Senate, present budget requirements, and attend all student senate meetings.

5) Committees:

Clubs must select people to attend standing committees once the committee code is approved.

6) The Global Issues Film Series

The ICC endorsed it last semester, still times available for clubs to sponsor films. Lead time is needed to arrange the media rights before any film can be shown.

7) Another Comedy Show

AS has offered to help, but not run the next Comedy Show, and Leni would like to

chair the committee again. Both comedians from last show are on board to do another show for free, and 101.7 the Fox radio station will likely offer free promotion. A new show would be held in Newman Auditorium. Proposed date is may 6th, at 8:00 in Newman Auditorium. Cost is projected to be close to the same as last show, approximately \$300.

8) Rick Edwards

The passing of Rick Edwards was commemorated in the last portion of the meetin.

Larry Hall: though not part of a club, he would like for a musical group which he is a part of to be able to come on campus to play at some point in the future.

Gil Haramati: Presented an opportunity for JC students to get involved in the operations of Base Station on the SRJC campus which makes contact with the International Space Station. The Base Station relays calls from elementary schools to the ISS. Tim Bosman is currently running operations.

VI. **Reports**

Reports will be limited to 2 minutes and 30 seconds per speaker. Clarifying questions will be entertained, but not discussion.

Chair: Promoted that some person from the ICC body step up to take the position of Vice President of Organization. The position comes with a parking spot directly behind Bertolini, and is, according to Kory, fun.

Advisor: thanked all of the clubs who participated in Club day, as well as those who helped with clean up.

Clubs:

Phi Theta Kappa: working with Dr. Jen to collect old text books (recent and otherwise) to send to schools which don't have access to text books. Donations can be put in a drop box at the third floor elevator of the Race building.

Architecture Club: working to organize a canned food drive "Canstruction". The goal is to design a sculpture of cans which is a symbol of how to solve world hunger.

Chess Club: organizing another internationally recognized chess tournament. This time, there will be 3 sections, and potentially \$500 will be given away in prizes.

VIII. Discussion

Budget Club Meeting:

Lenny offers help

Chemistry Club has members who can potentially help

Kory Ryan may be able to help

Pepperwood Retreat

A roll was taken to see how much support there was among the ICC body to organize a retreat to the Pepperwood Preserve. 5 representatives were in favor, 4 representatives were against, and 4 representatives abstained. With so little support, it was decided by the Chair of the committee that the Pepperwood retreat would not appear on future agendas.

Comedy Show Committee

The proposed show is currently undergoing the approval process. Once the show is approved, Lynn timer will make up a list of things that need to be accomplished for the show, and people who are interested in helping can speak with her then.

Global Issues Film Show

Kory reported that the most recent showing (10 questions for the Dali Lama, sponsored by the Queer Student union), was disappointingly poorly attended. It was proposed that

either lack of promotion or the arranged time of showing may have been the reason. An email will be sent to the original organizer of the event, Jessica Jones, asking her to be present at a future meeting to discuss with the body (again) the details of the event.

Club Day

There are still no solid procedures to sign up for tables for Club Day. A more formalized sign up procedure will be written.
