**Fall 2022
Agenda #1**

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution's founding in 1919. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges' relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

Pursuant to Executive Order N-25-20: Suspends aspects of the Brown Act. Typically, the Brown Act requires that every teleconference or in-person location have an agenda posted, be listed on the agenda, and be accessible to members of the public. For the time being, this is no longer the case. Minimally, the agenda will be posted online at <https://studentlife.santarosa.edu/agendas-minutes>. Members of the public wishing to comment on an agenda item or another topic within the jurisdiction of the SGA will be given the opportunity to ask questions via Zoom or may submit questions via email at zmiranda@santarosa.edu.

**Fall 2022
Agenda #3**

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution's founding in 1919. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges' relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

Pursuant to Executive Order N-25-20: Suspends aspects of the Brown Act. Typically, the Brown Act requires that every teleconference or in-person location have an agenda posted, be listed on the agenda, and be accessible to members of the public. For the time being, this is no longer the case. Minimally, the agenda will be posted online at <https://studentlife.santarosa.edu/agendas-minutes>. Members of the public wishing to comment on an agenda item or another topic within the jurisdiction of the ICC will be given the opportunity to ask questions via Zoom or may submit questions via email at nhill@santarosa.edu.

Agenda #7**

We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgment calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution's founding in 1919. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges' relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.

Pursuant to Executive Order N-25-20: Suspends aspects of the Brown Act. Typically, the Brown Act requires that every teleconference or in-person location have an agenda posted, be listed on the agenda, and be accessible to members of the public. For the time being, this is no longer the case. Minimally, the agenda will be posted online at <https://studentlife.santarosa.edu/agendas-minutes>. We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgment calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1919. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.
