A. Current Meeting Agenda

B. Minutes #13 (2024.12.04)

**MOTION:** Vice Chair; **SECOND:** Art Club; **OUTCOME:** Approved without objection.

4. **PUBLIC COMMENTS (03 MINUTES PER SPEAKER, 10 MINUTES PER TOPIC)**

*Members of the Public may address the ICC. Those who wish to speak are asked to but are not required to, provide the ICC Secretary with their name and contact information to be noted in the minutes. Brown Act ([California Government Code §54950-54963](#), specifically [§54954.3](#))]*

**STUDENT CONSIDERING SONGWRITING CLUB:**

She is wondering the best way to get activated and start a club on the campus

Andrew and Josh explained the basics, you need 3 members, an advisor, and going to the weekly ICC meetings.

After this the ICC meetings can vote to activate your club, so it's relatively easy compared to other colleges.

5. **CLUB ACTIVATION & ICC MEMBERSHIP (APPOINTMENTS / REMOVALS / CORRECTIONS)**

*The ICC is tasked with the responsibility to determine which district organizations are and are not clubs. At this time, the ICC may choose to 1. Recognize and Activate new clubs to the College, adding to the ICC Membership 2. Inactivate Clubs from the College, removing from the ICC Membership 3. Appoint or Remove ICC Executive Officers 4. Make Corrections to Club Names 5. Merge Clubs, or 6. Change the Type of Club.*

A. **APPROVAL OF CLUB ACTIVATIONS AND ICC MEMBERSHIP**

*NOTE: The potential clubs listed below are the clubs that have met activation requirements (filling out a Club Activation Form, Advisor confirmation, etc.) by the time the agenda was created. Other clubs may be activated at this time if they have met all club activation requirements.*

**MOTION:** Vice Chair; **SECOND:** SRJC Esports;

**DISCUSSION:**

**Oak Connections:** Mostly to connect with other students and make friendships

**Question for Oak Connections:** What type of group were you looking to try and join your club? Like a general idea of what the club could be about?

Similarly to International club, Oak Connections would like to make students friends that may be international or just feel out of place

**Pre-Physician Assistants:** Bring people together that want to pursue a career in a Pre-Physician Assistant field

**MOTION TO APPROVE:** Oak Connections and Pre-Physician Assistants (PA) Club

**OUTCOME:** Approved without objection.

6. **REPORTS**

A. **CLUB REPORTS**

**MECHA:** In light of the current political climate they are distributing yellow and red cards to immigrants to help with what problems may arise.

**Question:** Who is your advisor and where can students get info on the cards? Meeting is every Monday in the intercultural center, our advisor is Raphael

**Psi-Beta:** Fundraiser with See's candy till the 31st and if you order from the storefront you can get Valentine's Day chocolate to support the club.

**ESL Moves:** We use the same idea to partner with MECHA about the yellow and red cards to give out to people. If anyone would like one you can grab one at the end of the meeting

## B. ICCX REPORTS

**Chair:** Introducing the ICCX and who club leaders can go to for questions. Everyone is here to help.

## C. ADVISOR REPORTS

**Josh:** Per usual, lots of free stuff by the door if anyone would like to grab on their way out. Passed out personal cards so that clubs can contact Josh on any problems they may have. Also will help communicate what the college needs the clubs to know. A bigger subject to discuss more later would be if an ICE agent would come into campus, and all the faculty are told to direct them straight toward the president's office and nowhere else. (Student asking Josh more specifics about people coming on campus similar to ICE around 8 years ago) Josh mainly explains that people did come on campus a long time ago but it could also not be specifically ICE but different kinds of groups.

## 7. BUSINESS

A. A motion may come forward to approve dates and funding for Spring 2025 Club Days

- **LEAD(S):** ICCX

**DATE(S):** February 12th, March 12th, April 9th, and May 7th **TIMES:** 11am-2pm

**BUDGET:** \$2,250

**MOTION:** Vice Chair; **SECOND:** Treasurer; **DISCUSSION:**

In the Constitution it technically says that we only need to do one club day, however it's more fun to do it around once a month throughout the semester. The budget is mainly for all the club days combined, most of it for money and drinks during club day.

**Questions: Does the time overlap with ICC?** Yes on club days the ICC does not meet at all.

**Do we have a theme for the first club day:** Most likely a valentine's day theme for the first club day

**OUTCOME:** A roll call vote was held, and the item was approved unanimously.

B. A motion may come forward to approve a date and funding for an end of the year Inter-Club Council Celebration

- **LEAD(S):** ICCX

**DATE:** May 14th; **TIME:** 1:30-3pm

**BUDGET:** \$650

**MOTION:** Vice Chair; **SECOND:** Esports; **DISCUSSION:**

Traditionally we do a big celebration for the final ICC meeting and spend money to buy food/activities.

**OUTCOME:** A roll call vote was held, and the item was approved unanimously.

## 8. COMMUNICATIONS FROM THE FLOOR:

*Announcements/future meeting requests/questions?*

**Last minute thing from Josh:**

Currently he is filling in for Zack because he is gone on paternity leave, so annoy Josh a lot if he hasn't responded to any messages for him.

**How long does the submission take for club paperwork?**

Mostly a couple days, it usually depends the biggest on advisors sending in their approval

## 9. ADJOURNMENT; END TIME: 2:11pm

Performing in the west coast triathlete conference on March 2nd and if the club can perform well they can hopefully go higher up in the ladder. Meeting on Monday 12-1 on the pool deck, this is the main necessary meeting but they will plan more bigger ones in the future.
- **Vitae Lampada:** Almost like a poetry club and just bouncing off ideas with each other. Just a fun club to foster imaginative thinking with writing and maybe even getting them published.
- **AD HOC LearnToBe:** The club was not here, but they sent in a message. It's a tutoring club so that students can get the support that is needed for students.

**MOTION:** Approve all the clubs listed above; **OUTCOME:** Approved without objection.

We will be outside Emeritus in that quad area instead of outside Bertolini. Valentine's day will be the theme of the whole club day. **Vegan Pizza?** We can talk to them about that. **Power Outlets?** There should be some around the area, Josh and Andrew need to walk around and check. New rules on food relating to club day: Any event where catering is under \$200 we don't have to talk to food service at all, so if you want to get premade cookies/muffins/stuff like that you can get those without the hassle. **Utilizing Fundraisers that the clubs can use?** Clubs have done dine and donates in the past and gotten donations from people toward that specific club. Normally just ask Melissa about any financial questions that you have relating to club funds.

**Secretary:** Just a quick reminder for everyone, if you come it late just walk over and let me know, you won't be interrupting the meeting or anything it just makes it a lot easier since it's hard to remember everyone's clubs.

**Marketing Coordinator:** There is now an ICC instagram account if you'd like the ICC to repost anything about your club

### C. ADVISOR REPORTS

**Josh:** Everything in the back of the room is free, just get creative with what you grab and how you can use it. Specific requirement for new club stipend is that you need to attend the next meeting after activation, so please be attending the meetings. Also you can get a mini ICC pin if you are a club, so make sure to grab those since they are cool.

A. **CLUB REPORTS**

- **SRJC Triathletes Club:** First meeting went well. Mondays 12-1 is our next meeting
- **Doyle Student Council:** had its first meeting yesterday, many people showed up and it is open to everyone who would like to join. Next Tuesday at 7:30 is the next meeting they are holding.
- **Record Label Club:** Working on obtaining funding to get equipment for the club/school at the same time. School was able to give equipment for both SR and Petaluma
- **ESL Moves:** Initiative to donate all extra books people may have. If you aren't using any books, you should donate them in the inter-cultural center to help students out.

- **Business & Economics Club:** Tuesday 12-1 first floor of dorms for meetings.

B. **ICCX REPORTS**

- Intro to Poll Everywhere

**Sarah Martin:** In charge of campus scheduling for club meetings, club days, etc. If you need help with submitting requests for club meetings/fundraisers, please ask Sarah, Andrew, Josh, other ICC officers will be ready to help you if needed. Club day is a great day for everyone's clubs to fundraise for money and plan future events. Online page you can submit events or schedule a room for the semester.

[smartin3@santarosa.edu](mailto:smartin3@santarosa.edu) is her email, though Andrew/Josh can totally also connect club leaders with her.

**Andrew:** Would like to emphasize the food and catering for events, and reaching out about what things you need during events. No new information about club day specifically, just walked around Emeritus and didn't see a whole lot of outlets. We might have to only have a couple clubs actually using electricity for their booths. Reminder Feb. 12th is the first club day from 11-2.

### C. ADVISOR REPORTS

- **Melissa:** Schedule a time to meet with Melissa if you would like her to use the JC credit card and help pay for whatever you need. If you go to the ICC page and funding you can find the resources needed to submit requests for money or using your own club balance. Please wait to buy anything until you've actually gotten approved, since it would suck if you didn't get reimbursed for your purchase. Josh also has added Paypal and Venmo links at the bottom of each individual club page for people to donate.
- **Josh:** He has a lot going on, so please annoy him as much as possible. Josh presents a slideshow about what clubs have done in the past and what you can accomplish as a club.

**MOTION:** SRJC Esports; **SECOND:** Film Club; **DISCUSSION:**

The Speech and Debate club does a lot at many events throughout the country. This money is able to help them go to these huge events and participate.

Any info on current club balance? Doesn't have the information on them, but many of the current funds are getting used to help go to the tournaments right now. Recently they hosted a high school tournament at the JC, and plans to do much more in the future. There is a button maker in the club room that clubs can use to make buttons for events/club members.

### LAND ACKNOWLEDGEMENT

*We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.*

- 4/30 ICC Meeting #25?

**Andrew:** Photo booth approved for graduation club day. It'll be super fun, and will have a lot of good food there. While the budget in the agenda says it's a lot lower, we actually haven't spent all of that mostly just have it allocated. Hopefully there won't be an ICC meeting next week so we can better prepare for club days. ICCX elections on May 14th

### C. ADVISOR REPORTS

**Josh:** By next semester, we will be moving into a different meeting space for ICC meetings. Hopefully it will kinda be transformed into a student lounge area as well. If you want help, Josh can help you make a custom website for you in the SRJC club pages. Lastly, just to plant the seed of a different ICC meeting time. As if we do ICC meetings during the same timeframe of club days, we know for a fact that all the leaders are open during that time.

**Melissa:** If you want to do any reimbursements make sure to fill out the forms needed and attached receipts.

### LAND ACKNOWLEDGEMENT

*We acknowledge that we gather at Santa Rosa Junior College on the territorial traditional land of the Pomo People in Santa Rosa and the Coast Miwok People in Petaluma, past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This land acknowledgement calls us to commit to continuing to learn how to be better stewards of the land we inhabit. We recognize that every member of the Santa Rosa Junior College community has benefitted, and continues to benefit, from the use and occupation of this land since the institution’s founding in 1918. Consistent with our values of community and diversity, we have a responsibility to acknowledge and make visible the colleges’ relationship to Native peoples. By offering this Land Acknowledgement, we affirm Indigenous sovereignty and will work to hold Santa Rosa Junior College more accountable to the needs of American Indian and Indigenous peoples.*
